

## Heater Blower ELT-3-2(4)-S-2019

### PRODUCT FEATURES

- ✓ Heater Blower for Crane Cabs
- ✓ Universeller use
- ✓ Integrated temperature controller
- ✓ Circulation or heating operation
- ✓ Universal mounting option
- ✓ Aluminum housing
- ✓ Ready-made connecting cable
- ✓ Mains voltage 230VAC/400VAC
- ✓ Switchable power level
- ✓ Safety temperature limiter
- ✓ Tubular heater heating technology
- ✓ Made in Germany

### TECHNICAL DETAILS

#### Connection data ELT-3-2-S

230 VAC, 2000W, 50Hz, L1/N/PE

#### Connection data ELT-3-4-2

400 VAC, 2000W, 50Hz, L1/L2/PE

#### Operating mode

Heating mode  
Recirculation mode

#### Temperatur controller

Adjustable from +2°C to +40°C

#### Security feature

STB safety temperature limiter+85°C

#### Recirculation performance

100m<sup>3</sup>

#### Application areas

Crane cabs, Containers, etc.

#### Electrical connection

Uniflex jacketed cable

#### Ambient temperatures

-30°C to max. +125°C

#### Fan / Ventilator

Drum rotor low noise 49db (A)

#### Material housing

Aluminum  
Seaworthy finish

#### Dimensions

230 x 230 x 160 mm (WxHxD)

#### Weight

Approx. 5Kg
